

REGULATION ON USE OF COOKIES

The website www.eurostampa.com uses cookies and similar technologies in order to guarantee the correct functioning and to improve the browsing experience of the user.

WHAT ARE COOKIES?

“Cookies are small text strings, which websites visited from the users send to their terminal (usually to the browser), where they are stored in order to be resent to the same websites at the next visit of the same user.”

The use of cookies allows to improve the usability of the website and in some cases it is necessary to guarantee some functionalities of persistence of the information inside working sessions.

DEFINITION OF TYPES OF COOKIES

Under article 13 of the Regulation, it is explained which types of cookies can be used and which are used by the website www.eurostampa.com and, where provided for, the consent is required in order to use cookies in the browsing session.

TECHNICAL COOKIES

These cookies are only used to transmit a communication on an electronic communication network or when it is strictly necessary to provide that service. They are not used for other purposes and they are directly installed from the owner or the website manager.

They are divided in:

Browsing or session cookies: they guarantee the normal browsing and use of the website. For example they can be used to:

- manage and remember elements added to the basket of online shops
- allow the users to access to safe areas of our website without logging in all the time
- remember actions taken by the user (for example, the filling of a form) when the user goes back to the previous page in the browsing .

Cookie analytics: they are used by the operator of the website in order to collect information, in aggregated form, about the number of users and about how they visit the website.

The use of these cookies allows to collect technical information, for example:

- the last page which has been visited
- the numbers of pages visited
- the opening of an email
- which part of the website are clicked on
- the time between two clicks

Functionalities cookies: they allow to the user the browsing with a series of criteria in order to improve the service. These cookies allow to:

- remember the preferences chosen by the user during the previous visits

- remember the answers to questions asked by the website, so that they will not arise again to the user
- determinate if a service has already been proposed to the user
- give information which allows the functioning of optional services

Profiling cookies

Profiling cookies are used to create user profiles in order to send advertisement, according to other preferences showed in the same area of the web browsing .

Third-party cookies

Third-party cookies are cookies used by different subjects than the operator of the website. See for example the plugin cookies of the social networks (Linkedin, Facebook, Twitter, Google etc).

Company	URL privacy policy	Category
Google Analytics	https://www.google.it/intl/it/policies/privacy/	Technical Profiling
Adobe	https://www.adobe.com/it/privacy/policy.html	Technical Profiling
This Moment	http://www.thismoment.com/privacy-policy/	Technical Profiling

PLUGIN SOCIAL NETWORK

This website also includes plugins and/or buttons for social networks, in order to allow a simple sharing of contents on your favorite social networks. These plugins are programmed so that there aren't any cookies at the access to the page, in order to safeguard the privacy of the users. They might be set up, if this is provided for from the social network, only when the user voluntarily uses the plugin. Please note that if the user surfs while logged in the social network, he has already accepted the use of cookies in this website in the moment he signed up for the social network.

The collection and use of the information obtained from the plugins are regulated by the privacy policies of the social networks, to which we invite you to refer to.

– Facebook (<https://www.facebook.com/policies/cookies/>)

- Twitter (<https://twitter.com/privacy?lang=it>)
- Youtube e Google (<https://www.google.it/intl/it/policies/privacy/>)
- Instagram (<https://instagram.com/about/legal/privacy/>).

LENGTH OF COOKIES

The length of cookies depends on several factors, including the reason why they are created, the cookies can be persistent and therefore survive the browsing session, other cookies can have an “expiry date” and others deactivate when the browser closes.

The cookies used by the website www.eurostampa.com are cookies whose length is limited to the browsing session of the user and they are automatically deactivated when the browser closes or through logout from the reserved area.

COOKIE MANAGEMENT

The user can configure the browser in order to accept or refuse cookies. The full or partial disabling of cookies, in particular of technical cookies, can compromise the correct functioning of the website in the areas used for keep the browsing and the session status in the areas reserved to the registered users. In certain cases, depending on the browser used, it can be possible to discriminate the types of cookies to activate.
